

Dear Community Supporter,

Junior Service League is thrilled to once again work with the support of Shawnee Public Schools to bring back our annual scholarship fundraiser. On Saturday, August 26th, JSL members will serve a BBQ supper at Shawnee Middle School Gym from 5:30 pm - 7:30 pm as a Kickoff to the school year. Entertainment will include the SHS marching band and cheer and pom squads; seniors from various teams and clubs will also be spotlighted. This event will be fun for all as we will have face painting, raffles, inflatables, a photo booth and a pie in the face contest for SHS administrators and coaches.

All proceeds from this event go directly to scholarships, including the Taylor Ricks Memorial Scholarship, for Shawnee High School seniors who have chosen to further their education. Our last event was able to raise over \$14,000 to distribute in scholarships; we hope to beat that amount this year to help support more students in their future education.

We want to continue this long-standing tradition for the community and Junior Service League cannot do that without your support! We have four tiers of donations for Kickoff Supper in the attached form. You don't want to miss out on this opportunity to help local students further their education, while promoting your own company.

Please return this form to the member who contacted you or one of the members at the numbers below with your kind donation. We sincerely appreciate your support.

Thank you from all the Junior Service League members!
